

WINDOW DRESSING

Cerritos College Art Gallery

- OPEN CALL FOR PROPOSALS -

A TEMPORARY EXHIBITION OPPORTUNITY IN A UNIQUE EXTERIOR-FACING GALLERY VITRINE

The Cerritos College Art Gallery is looking for **five (5)** local artists interested in preparing and executing a temporary project/exhibition within the unique exterior-facing display gallery attached to the outside of the new Fine Art Building on the campus of Cerritos College.

Each mini solo-project/exhibition will run for just one week, with all installations taking place on Sundays, opening receptions taking place on Mondays (from 4-6PM), and deinstallation on Saturdays.

Exhibition Dates Available (2018):

- January 28th – February 3rd (Opening: January 29th)
- February 4th – February 10th (Opening: February 5th)
- February 11th – February 17th (Opening: February 12th)
- February 26th – March 3rd (Opening: February 27th)
- March 4th – March 10th (Opening: March 5th)

The gallery is particularly interested in proposals for projects that activate the space in unexpected ways and/or with innovative installations.

Example projects could include (but are not limited to):

- Kinetic Sculptures and/or Interactive Automats
- Chromatic Lighting Displays
- Pastiche of Traditional Retail-based Window Signage/Merchandising
- Performative Residencies (during Gallery Operating Hours only)

Selected artists will receive a \$250 honorarium to help off-set any material/transportation costs, as well as a copy of the self-published exhibition catalog, which will collate information and documentation from all five projects.

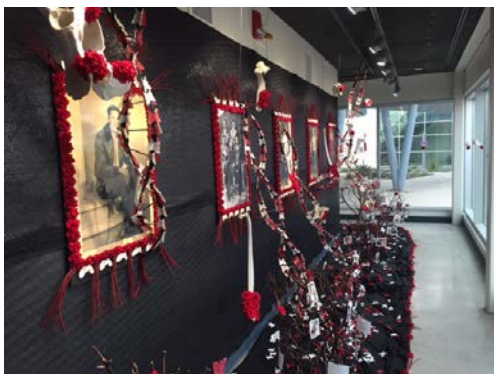

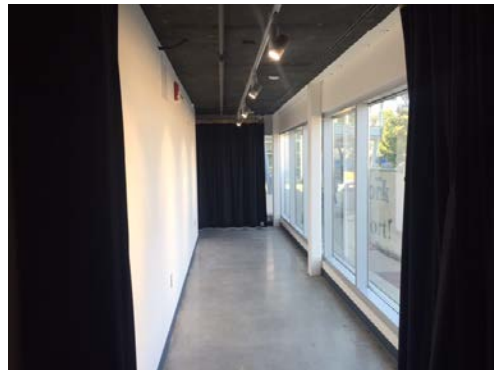

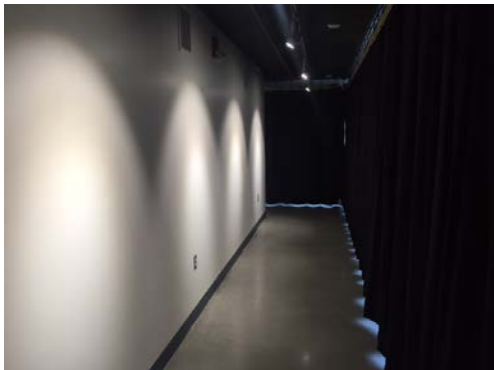

To be considered, please email a detailed description of your proposed installation, desired exhibition dates (if any), and your CV to jmacdevitt@cerritos.edu by midnight on November 1, 2017.

About the Display Gallery

Dimensions and Technical Information:

- The walls run approximately 20ft in length on the long side and 6ft on the short side
- The hanging wall is approximately 8ft in height from floor to ceiling
- The walking space (inaccessible to the public) is approximately 4ft wide
- Space includes three electrical plugs, track lighting, and curtain on track
